STUDENTS ASKED TO WALK OUT

If you support the ten demands; if you object to being an instrument in the latest attack on George Murray of the Black Panther Party by the people who run this state; if you are appalled by the latest repressive measures of the Chancellor's office and the Board of Trustees; if you think you are entitled to some say over your own education and your own life; if you feel that Black people are entitled to the same things and have been forced to put up with a vicious system of institutionalized racism for too long; if you support the student programs or feel you have a right to demonstrate on campus; if you feel any sympathy at all for the attempt by Black people to liberate themselves from the rule of a racist power structure...then you support this strike. We call upon all students to boycott their classes, to participate as actively in the strike as they can, to stand together and make themselves heard. We need everybody.
